Beschreibung

DAF XF 460 FT, 2015, 4x2 tractor unit with Super Space Cab and 902,825 km. Euro 6. Veere, Netherlands. The same well-proven XF 460 FT specification, at the lower odometer reading of the pair we hold. Drivetrain — 460 hp (340 kW), Euro 6 with AdBlue, 4x2. Cab — Super Space Cab with full standing height and sleeper. Condition — Odometer 902,825 km. Around 900,000 km is where this generation still has plenty of working life in front of it. More than one available — We hold a second XF 460 FT in matching specification. A matched pair keeps maintenance, parts stock and driver training simple, and we price them accordingly.
