Beschreibung

Pacton T3 three-axle curtainsider semi-trailer, 2000. Veere, Netherlands. A three-axle curtainsider does everything a box trailer does and loads from the side as well. Open the curtain and a forklift can reach any pallet on the deck, which turns a two-hour unload into twenty minutes. Pacton is a Dutch builder with a long track record in this class, and the T3 is their standard three-axle platform. Type — Three-axle curtainsider semi-trailer. Year — 2000. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East.
