GVW	19.000kg
Length	724cm
Width	255cm
Cabin	No
Cylinder capacity	9.186cc

Technical specifications

Number of axes	2
Axis configuration	4x2
Transmission	Automatic

Description

DAF CF 75.250 tipper, 2005, 4x2 with HMF 1060 truck loading crane. 273,974 km, Euro 3. Veere, Netherlands. Tipper body and loading crane on one chassis. This truck loads itself, carries the material and tips it where you want it, a complete operation without a second machine on site. For builders, groundworkers, landscapers and anyone moving sand, stone, soil or building materials, that combination pays for itself quickly. HMF is a Danish crane manufacturer with a strong reputation for build quality and long service life. Drivetrain — 250 hp (188 kW), Euro 3. Body — Tipper on a 4x2 chassis, with HMF 1060 truck loading crane. Condition — Odometer 273,974 km, which for a twenty-year-old tipper is remarkably low. Site trucks work hard but rarely far, and this one shows it. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East. Export documents, customs declarations and insurance are arranged here at our own premises, so you leave with the paperwork in order. Our yard sits within easy reach of the ports of Vlissingen, Antwerp and Rotterdam, which keeps shipping short and simple. We can collect you from the station and help arrange accommodation. We speak English, German, French and Spanish.
