Description

DAF CF 75.310, 2013, 6x2 chassis cab ready to take your own body. Euro 5. Veere, Netherlands. A blank canvas on a proven chassis. This CF 75.310 comes as a bare 6x2 chassis cab, which means you specify the body: box, curtainsider, tipper, crane, hook lift, tanker, whatever the work demands. Buying a chassis cab and building to your own specification usually costs less than buying a finished truck that is nearly right, and you end up with exactly the vehicle you need. The CF is DAF's most widely supported model in this class, so parts and service are never far away. Drivetrain — 310 hp, Euro 5 with AdBlue. Chassis — 6x2 chassis cab, 810cm long. Condition — Odometer 995,777 km. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East.
