Description

DAF CF 85.410, 2011, 8x2 with hook lift system and manual gearbox. Euro 5, € 19,750 excl. VAT. Veere, Netherlands. Four axles, 410 hp and a hook lift system. This is the heavy end of the container handling market: an 8x2 chassis carries more, spreads the load legally across more axles, and stays stable with a heavy container on the back. The manual gearbox is a deliberate advantage here. On a truck that spends its day loading, tipping and manoeuvring, a mechanical box gives the driver direct control and gives the owner one less expensive component to worry about. Drivetrain — 410 hp (300 kW), manual gearbox, Euro 5 with AdBlue. Chassis — 8x2 with hook lift system. Condition — Odometer 871,383 km. Price — € 19,750 excluding VAT. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East. Export documents, customs declarations and insurance are arranged here at our own premises, so you leave with the paperwork in order. Our yard sits within easy reach of the ports of Vlissingen, Antwerp and Rotterdam, which keeps shipping short and simple. We can collect you from the station and help arrange accommodation.
