Description

DAF LF 55.250 box truck, 2007, 4x2 with closed body, Euro 5, 250 hp. Vlissingen, Netherlands. The LF is the distribution truck that built DAF's reputation in the middle weight class: simple, tough, and cheap to keep on the road. This one carries a closed box body on a 4x2 chassis, the classic combination for regional and urban delivery work. Drivetrain – 250 hp (182 kW), Euro 5. Body – Closed box on a 4x2 chassis. Condition – Odometer 1,056,789 km. The LF driveline is known for reaching these figures and carrying on; parts availability across the world is excellent and workshop labour on this model is inexpensive wherever you take it. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East. Export documents, customs declarations and insurance are arranged here at our own premises, so you leave with the paperwork in order. Our yard sits within easy reach of the ports of Vlissingen, Antwerp and Rotterdam, which keeps shipping short and simple. We can collect you from the station and help arrange accommodation. We speak English, German, French and Spanish.
