### Description

Isuzu D-Max 4x4 double cab pick-up, 2011, only 123,827 km. € 12,500. Veere, Netherlands. The D-Max earned its reputation the hard way. Contractors, landscapers, farmers and municipal fleets buy them because the ladder chassis and the drivetrain keep going long after a passenger 4x4 has given up. Configuration — Four-wheel drive, double cab, five doors, manual gearbox. Finished in silver. Condition — 123,827 km. For a 2011 working pick-up that is exceptionally low, and it puts this one well ahead of most of what sits on the market at this money. Price — € 12,500 Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East.
