GVW	10.000kg
Length	646cm
Width	222cm
Cabin	Sleeping cabin
Cylinder capacity	5.880cc

Technical specifications

Number of axes	2
Axis configuration	4x2
Transmission	Manual transmission

Description

Iveco EuroCargo 100E22 EEV with hook lift and remote control, 2010. Only 47,432 km. Veere, Netherlands. 47,432 kilometres. That is the whole life of this truck, and it is by a wide margin the lowest reading anywhere in our stock. For a fifteen-year-old commercial vehicle, this is close to unrepeatable. Add a hook lift system with remote control, so one operator handles the changeover from outside the cab, watching the container instead of a mirror, and an EEV-rated driveline that runs cleaner than the Euro 5 standard of its day, and you have a machine that has barely started working. Drivetrain – 220 hp (160 kW), EEV emission standard. Body – Hook lift system with remote control. Condition – Odometer 47,432 km. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East. Export documents, customs declarations and insurance are arranged here at our own premises, so you leave with the paperwork in order. Our yard sits within easy reach of the ports of Vlissingen, Antwerp and Rotterdam, which keeps shipping short and simple. We can collect you from the station and help arrange accommodation. We speak English, German, French and Spanish.
