Description

MAN TGX 18.440, 2014, 4x2 tractor unit with 440 hp, automatic transmission. Euro 6. Description: A spacious and proven long-distance tractor unit, equipped with MAN's 12.4-litre six-cylinder engine and a comfortable cab. The TGX 18.440 is well suited for international transport, distribution work and general trailer operations. Drivetrain – 12.4-litre six-cylinder diesel engine producing 324 kW / 440 hp, combined with an automatic transmission. The truck meets the Euro 6 emission standard. Chassis – 4x2 tractor configuration with a 3,900 mm wheelbase. The truck has a permitted gross vehicle weight of 19,500 kg. Cab – TGX sleeper cab with multifunction steering wheel, integrated radio/media system, extensive storage space and a spacious long-distance driving position. The cab layout is designed for comfortable motorway and international use. Equipment – Automatic transmission, roof-mounted spotlights, orange warning beacons, aluminium side tank, fifth-wheel coupling and full tractor air/electrical connections. Condition – 816,133 km shown on the odometer. Dutch registered vehicle, first registered 14 August 2014. Engine – MAN six-cylinder diesel, 12,419 cc, 324 kW / approximately 440 hp. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for more than two decades, supplying customers throughout Europe, Africa and the Middle East. Export documentation, customs formalities and insurance can be arranged directly through us, helping make the purchasing and export process straightforward. Our location offers convenient access to the ports of Vlissingen, Antwerp and Rotterdam, making onward transport and international shipping easy to organise. We can also assist with station collection and accommodation when required. Our team speaks English, German, French and Spanish.
