Omschrijving

DAF CF 85.410, 2011, 8x2 with hook lift system and manual gearbox. Euro 5, € 19,750 excl. VAT. Veere, Netherlands. Four axles, 410 hp and a hook lift system. This is the heavy end of the container handling market: an 8x2 chassis carries more, spreads the load legally across more axles, and stays stable with a heavy container on the back. The manual gearbox is a deliberate advantage here. On a truck that spends its day loading, tipping and manoeuvring, a mechanical box gives the driver direct control and gives the owner one less expensive component to worry about. Drivetrain — 410 hp (300 kW), manual gearbox, Euro 5 with AdBlue. Chassis — 8x2 with hook lift system. Condition — Odometer 871,383 km. Price — € 19,750 excluding VAT.
