Omschrijving

DAF LF 45 with aerial work platform body, 2002. 359,221 km, € 12,750 excl. VAT. Veere, Netherlands. A truck-mounted aerial work platform on the LF 45 chassis. Drive to site, set the outriggers, and you are working at height within minutes, no trailer, no separate transport, no crane hire. Facade cleaners, sign installers, electrical contractors, tree surgeons and municipal maintenance departments all run this configuration, and a self-propelled platform on a road-legal chassis remains far more flexible than a towed lift. Chassis — DAF LF 45. Body — Aerial work platform. Condition — Odometer 359,221 km. Price — € 12,750 excluding VAT. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East. Export documents, customs declarations and insurance are arranged here at our own premises, so you leave with the paperwork in order. Our yard sits within easy reach of the ports of Vlissingen, Antwerp and Rotterdam, which keeps shipping short and simple. We can collect you from the station and help arrange accommodation. We speak English, German, French and Spanish.
