Omschrijving

Iveco Eurocargo 75E15 box truck, 2005, 7.5-tonne class with closed body. 274,660 km, Euro 3. Veere, Netherlands. The 7.5-tonne Eurocargo is the workhorse of European light distribution, and this one carries a closed box on a 4x2 chassis. At 274,660 km after twenty years, this truck has led an easy life. Light-class distribution trucks that stay under 300,000 km tend to have run short local rounds rather than long hauls, and the driveline shows it. Drivetrain — 170 hp (125 kW), Euro 3. Body — Closed box on a 4x2 chassis, 7.5-tonne class. Condition — Odometer 274,660 km. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East. Export documents, customs declarations and insurance are arranged here at our own premises, so you leave with the paperwork in order. Our yard sits within easy reach of the ports of Vlissingen, Antwerp and Rotterdam, which keeps shipping short and simple. We can collect you from the station and help arrange accommodation. We speak English, German, French and Spanish.
