Omschrijving

Van Eck UM-2I centre-axle drawbar trailer, 2003. € 3,500 excl. VAT. Veere, Netherlands. A centre-axle drawbar trailer puts the axles under the middle of the load, which makes it far more stable and easier to reverse than a conventional drawbar. It is the format most European distribution operators choose when they run a rigid plus trailer combination. Van Eck is a Dutch builder known for light, well-finished trailers. Type — Centre-axle drawbar trailer, Van Eck UM-2I. Year — 2003. Price — € 3,500 excluding VAT. Buying from Poppe Trucks We have been trading used commercial vehicles from Vlissingen for over two decades and we sell across Europe, Africa and the Middle East. Export documents, customs declarations and insurance are arranged here at our own premises, so you leave with the paperwork in order. Our yard sits within easy reach of the ports of Vlissingen, Antwerp and Rotterdam, which keeps shipping short and simple. We can collect you from the station and help arrange accommodation. We speak English, German, French and Spanish.
